QUESTIONS FRÉQUENTES

Quels types de plexiglas offrez-vous ?

Feuilles d'acrylique coulé transparentes en différentes épaisseurs. Résistantes aux impacts et aux UV, idéales pour présentoirs, barrières et rénovations.

Qu'est-ce qu'un panneau WPC et une feuille PVC ?

WPC : Composite bois-plastique avec un look naturel.

PVC : Panneau décoratif imitant le marbre.

Les deux sont étanches, durables et faciles d'entretien.

Offrez-vous la découpe et l'installation sur mesure ?

Découpe sur mesure disponible (15 \$ par coupe).

Installation facile en DIY. Pour l'installation professionnelle, nous pouvons référer des contracteurs : Ahmed (514-995-9048), Akram (514-715-2339), Éric (581-999-8906).

Comment entretenir les panneaux ?

Nettoyer avec un chiffon doux, de l'eau et un savon doux. Résistants à l'humidité et à la moisissure.

Livraison et ramassage ?

Livraison partout à Montréal (frais selon la distance).

Ramassage le jour même disponible à LaSalle.

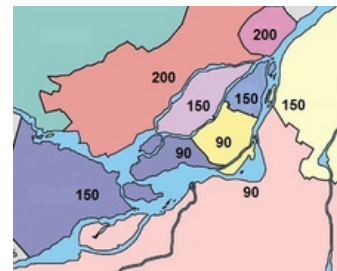

Retours et paiements ?

Retours dans les 15 jours avec reçu pour produits non utilisés. Frais de restockage de 15 % applicables.

Modes de paiement : comptant, débit, crédit, Interac.

- ✓ Facile à coller à la PL
- ✓ Coupes sur mesure
- ✓ Réseau d'installateurs
